

**CHIEF, DEPARTMENT OF PEDIATRIC ANESTHESIA
IWK HEALTH**

**DEPARTMENT OF ANESTHESIA
DALHOUSIE UNIVERSITY**

HALIFAX, NOVA SCOTIA

IWK Health is recruiting a leader for the IWK Health Department of Pediatric Anesthesia. This position is an outstanding opportunity for an experienced and accomplished individual with demonstrated leadership, clinical and academic credibility, and strategic vision to direct and manage clinical and academic affairs in the department within an integrated health system.

As Chief of IWK Department of Pediatric Anesthesia, they will be responsible to the CEO through the Vice President Medicine, Quality & Safety for all administration and functioning of the IWK department and will work in partnership with the directors of the Children's Health Program to ensure the effective provision of pediatric anesthesia services. As the Dalhousie University Department of Anesthesia's lead in pediatric anesthesia, they will be responsible to the Head of the Dalhousie University Department of Anesthesia for all academic activities of the department and its members.

This role requires dynamic leadership and vision in clinical and academic domains, together with management skills to affect excellence in care, education, and research within available resources, and to align strategically and operationally within an integrated health system. The incumbent must negotiate, nurture, and leverage opportunities to maximize productivity through collaboration, partnership, and integration of academic and clinical practice. The successful candidate must be a licensed physician eligible to be registered with the Royal College of Physicians & Surgeons of Canada (FRCPC) or equivalent and be eligible for licensure in the province of Nova Scotia.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. IWK Health and Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. We encourage applications from Aboriginal people, persons with a disability, racially visible persons, women, persons of minority sexual orientations and gender identities, and all candidates who would contribute to the diversity of our community.

The review of applications for this position will commence as soon as the competition closes. To apply for this exceptional opportunity, interested applicants are asked, by **December 1, 2023**, to submit a current CV and a statement outlining their academic, clinical, and scholarly interests; and the names and contact information of three referees to the attention of:

Dr. Douglas Sinclair
Vice President Medicine, Quality & Safety
